

## **Mah Jongg anyone?**

Mah jongg is a fun game of skill, strategy, and luck. Wilmot resident, Ellie Gregor recently learned how to play but couldn't find a game in the area. Ellie solved her problem by starting a mah jongg group on Tuesday afternoons at the WCA's Red Barn.

A dozen or more players meet from 1:30 to 3:45 p.m. every Tuesday. They will continue meet in October and November. If there is enough interest, the group will play through the winter.

Any and all mah jongg players are welcome to come and join the group. Please call Ellie at (617) 417-2388 or email her at [elinor.gregor@gmail.com](mailto:elinor.gregor@gmail.com) for more information.
