

Bringing neighbors together since 1963

Join the Wilmot Community Association

Connect with neighbors, build relationships, support our great community, have fun, and much more! Since 1963, the WCA has been a hub for the community. Throughout the year, the WCA brings people together for a wide variety of free and low-cost programs and events. The Red Barn on Village Road is the perfect venue for social, recreational, and educational activities.

In the summer, Timmy Patten Park on Shindagan Road is great for swimming, picnics, and volleyball games. The park is open to Wilmot residents, WCA members, and their guests.

The WCA partners with other local organizations. We co-sponsor workshops with the Conservation Commission and Garden Club. In addition, the WCA helps coordinate Music on the Bandstand concerts. Thanks to the WCA, Wilmot is a fun and busy place for people of all ages.

Volunteers are our cornerstone

Working together is at the heart of every great community. From day one, volunteers have been an integral part of the WCA. Volunteer opportunities at the WCA are varied, fun, and key to the organization's success.

Join the fun - we are always looking new recruits. You can share your skills and make friends while working for an organization that enhances the quality of life in Wilmot.
