### Wilmot Community Association Named Nonprofit of the Year

The [Wilmot Community Association](#) (WCA) received the Nonprofit of the Year Award from the [Lake Sunapee Region Chamber of Commerce](#) at its annual meeting January 24 at Mount Sunapee Resort's Goosefeathers Pub in Newbury.

"The WCA is thrilled and honored to be named the chamber's Nonprofit of the Year," said Ann Davis, WCA president. "The WCA was founded in 1963. For 60 years, the organization has been bringing neighbors together in Wilmot. This is a wonderful way to launch our anniversary celebration!"

Accepting the award for WCA are Shandi Elliott, left; Dana Bascom, treasurer; Ann Davis, president; and Rachel Seamans.

## Free Winter Tree Identification Program

Join us Saturday, February 18, 10 to 11:30 a.m. [Register Now!](#)

Can you identify a tree in winter? Oak? Ash? Beech? Without leaves it can be hard to distinguish one tree from another. Enhance your winter forest forays and impress your friends by learning to recognize trees through branching, buds and bark clues.

The [WCA](#) will offer a free winter tree identification program, Saturday, February 18. Tim Fleury - [UNH Extension](#) forester - and Ann Davis - Wilmot Tree Farmer - will lead the workshop. It will start at the WCA Red Barn, 64 Village Road, with a short talk and slide show.

After the talk, Fleury will lead the group on a stroll to a nearby property where participants will observe trees in the field.

Prepare for an outdoor experience and dress for winter weather and snow conditions. This program is sponsored by the [Wilmot Community Association](#). Unless weather conditions are extreme, it will take place snow or shine.

Registration is required and space is limited. You can reserve your spot through [Eventbrite](#), by [sending us an email](#), or by calling us at (603) 526-7934.

---

## Mark Your Calendar!

Join us at the Red Barn, Sunday, March 26, 1:30 p.m.

Learn about pollinator gardens with Suzanne Paul, owner of Wilmot-based Terra Niche. Paul will present a PowerPoint program filled with photos of beautiful native flowers and grasses. She will discuss the importance of incorporating plants that attract pollinators and the mini-pollinator meadow she will install in early summer at the [WCA's](#) Red Barn.

This program is sponsored by the [WCA](#) and the Wilmot Garden Club.
